Two-By-Two Preschool

A ministry of Waynesville United Methodist Church.

2016-2017 School Year Information

*"Making Disciples of Jesus Christ
for the Transformation
of our Community
and the World."*

Our Niche –

Two-By-Two is a preschool for families wanting a part-time program to help kids and families prepare for school while allowing them to make the most of the family time they have in their early years.

Purpose

Our purpose is to offer a preschool class that is supplemental to learning at home to help prepare children for an elementary school setting while still allowing them the time with their parents while they are young. As a ministry of Waynesville United Methodist Church, we are providing Biblical instructions, academics and growth opportunities for children, as well as a program of ministry and outreach to the families of the children enrolled.

We believe that every child is a special creation of God, whom God loves and forgives through Jesus, our Savior. Ephesians 6:4 "Bring them up in the training and instruction of the Lord." We believe that it is our responsibility and privilege to encourage and support parents in the spiritual, emotional, mental, academic and social growth of their children.

Registration

Registration packets will be available in the church office starting 29 April 2016.

Registration starts on 9 May at 9:00 am at Waynesville UMC.

Registration is on a first come first served basis. Your registration is not complete until you have submitted the completed registration packet, a copy of the birth certificate, and the \$70 enrollment fee.

Student – Teacher Ratio

Our classes all have a ten student limit. Each class has one head teacher and one aide who are in the classroom with the students at all times. This gives us a 5 to 1 ratio which, we feel, allows us to give each and every student the individual attention that he/she deserves. This also gives the teachers the ability to more carefully tailor the classroom to the individual needs of each child.

Curriculum

We work hard to give our students the best combination of play, biblical lessons, and learning time to help them individually succeed not only at Two-By-Two Preschool, but as they leave our program. The curriculum has been designed specifically for our program here at Two-By-Two Preschool. All of our weekly lessons include a Bible story and verse, letters, numbers, colors, and shapes, as well as basic math, science and social studies concepts.
